ARTICLES ON TRACK AND FIELD EVENTS

The attention of school officials and track coaches is called to the articles on Track and Field Events which appeared in the April, 1930, Bulletin. Undoubtedly a number of schools have this Bulletin on file and can very profitably refer to it for information concerning track. A limited number of these Bulletins are available for schools interested, but the number of requests for them last year reduced the supply considerably. If schools interested do not have this Bulletin requests for it will be filled as long as the supply lasts.

Following will be found the articles by the various authors which appeared in this number of the Bulletin:
