TRACK MEN ARE VICTORS IN LAMBERTVILLE MEET

Winning first place in all but two events, the Monroe track reserves overwhelmed the Lambertville squad 85½ to 27½, in a dual meet held on Navarre Field, Thursday afternoon, April 23. The weather was unusually cold, with a slight rain, and the boys had a hard time keeping warm despite the heated races that they ran. Howard Boss was high point winner for the Monroe team, taking first places in the pole vault and the javelin throw.

The Monroe boys were especially strong in the distance races, taking first, second and third in the 220 and in the half mile runs. Harold Stein and Lester Newbern each took one first and one second place for the local squad. Stein made 10 feet in the pole vaulting of the novice meet recently but was unable to win a place in this meet.
