NICHOLS TEAM WINS IN SHOW

New Jumping Competition Introduced at Bloomfield Hunt's Spring Horse Event.

Black Rock, Greenlaid and Buddy Show Best Form Over Aiken Fences.

BY FRANK S. COOKE.

Introduction of pairs and teams of jumpers over the so-called Aiken fences was a highlight in the spring horse show at the Bloomfield Hunt Club yesterday afternoon. This novelty in a course consisted of a ring with four stiff jumps built in clockwise order, action by which the rider and his horse had to do with as well as height.

Seven teams competed, the scores running at a hazy pace. In spite of the scores of the course, the performance was excellent. It is Nichols, who has had more to do with making other men than any person, had the honor of winning this time his own faithful Black Rock with Earl Kerby on Greenlaid and Volby Kerby on Buddy.

Second was taken by Mrs. J. A. Blackwell, who had the mount on Pop Over, Mrs. C. M. Harty was third, her team consisting of Marjorie and Phillip Standart on Black Rock and H. H. Hopp on the look and Mr. Nichols on Lakeland. Other teams were those of Charles C. Pierce, the Metcours Hunt, C. H. Oshel and Mrs. Dea Perry Mott.

Pairs Are Spectacular.

The pairs looked a bit more spectacular with the riders taking the longer together. There were eight pairs and five teams. Mr. Nichols on Black Rock and Volby Kerby on Greenlaid were second and the Pierce team, C. H. Oshel on Spots and Allan Lee on Lovelock, third.

Interest in the popular interest of the popular interest in better performance than those in the past during the two weeks ago. Metcours picked the winners there, being the third place in the class. Mrs. Standart on Blackie, Annette Phillips on Black Rock and Mr. Hopp on Big Rock scored but one and one-half points. In view of the old and had settled both horses and riders, that was an excellent performance. The Oshel team placed second with two and a half points.

Mr. Nichols on Buddy, Mrs. Blackwell on Hercules and C. M. Harty on third place went to the Detroit Hunt and Hunt club, three of the Pierce stable, with Mr. Pierce on Noble Boy, Mrs. Perry on Pop Over and Mr. Oshel on
