

Eastern Trackmen Win City Relay Carnival

Indians Finish First in Only One Event But Place in Six Others to Score 18 Points; Southeastern Finishes Second With 17 Points.

AFTER trailing Southeastern's runners throughout the afternoon, Eastern scored a victory in the high jump, last event of the day, to win the City Relay Carnival at Central's athletic field Friday with a total of 18 points. Southeastern, which failed to place in any of the field events, was second with 17.

Of the 16 schools which qualified teams for the finals only Northern failed to score. The Eskimos eligible for two events, the broad jump and the high jump, failed even to put in an appearance. Central scored 12, Hamtramck 11, Highland Park, 8, Northeastern 6, Pershing, Western and Redford 5 each, U. of D. and Denby 3 each, Northwestern and Mackenzie 2 and Cass 1.

Eastern scored only one first place, that in the high jump, but the well balanced squad which Wednesday qualified teams in every event, came through with three second places, one third and two fourths.

McKibben Is Disqualified.

The Indians lost another second place when George Mead, referee of the meet, disqualified the Indian shot put quartet because of the presence in the lineup of Alfonso McKibben, who qualified for the city championship meet last Saturday but failed to compete. It was held that McKibben, who put the shot 43 feet ¼ inch Friday, would have easily placed in the championship competition and thus been rendered ineligible for the relay carnival, which was designed expressly for novices.

Eastern's high jumpers were led by James Martin, who leaped 5 feet 9 inches. Aubrey Pearson cleared the bar at 5 feet 8 inches and the other two, Julius Redmond and Walter Bierkamp, topped the bar at 5 feet 5 inches for a total height of 23 feet, which was one foot better than Northeastern, runner-up in the event.

Jungleer Runners Best.

Southeastern was strongest in the relay events. Three of the four Jungleer teams came down in front.

The opening race of the day, the 440-yard relay, saw the Purple and White flashing to triumph as Edgar David, Albert Momense, Charles Brodie and Bob Farquhar covered the lap in 47.3-5 seconds to beat out their Eastern rivals by less than a yard.

In the mile relay Herman Smith, the Jungleers' anchor man, put

Helen Plays Record Match

San Francisco, May 29.—(U. P.)—Elmer Griffin, prominent California tennis player, claimed some sort of a record today for his feat in winning over Mrs. Helen Willis Moody in a single set, 16-15.

Playing an exhibition match here, the pair fought for two hours and played 34 games—the equivalent of three ordinary sets—before the American woman tennis star finally was defeated.

Griffin, who has played Mrs. Moody on several occasions, said her game was "better now than it ever has been." The California girl plans to compete in the Wightman cup matches in the United States this summer.

Eastern Trackmen Win City Relay Carnival

Continued From First Sport Page.

on the most thrilling sprint of the afternoon to make up a five-yard handicap and pass Sid Dorey, of Redford, on the final turn, winning by three strides. Southeastern quartet finished third in the two-mile relay and climaxed their day's activities by winning the last and longest race, the four-mile relay, with Eastern second. The first three Southeastern miles, Milton Roddel, George Garman and Fred Brennan, ran even with their Indian rivals. Rudolph Krall, anchor man, won out with a last lap drive which gave him a five-yard margin of victory.

Polar Bears Lose Argument.

Central scored two victories, the first in the two-mile relay, in which they had been favored since Martin Paul, Albert Schulman, Charles M'Call and Fred Lee covered the course in 8:50.5. Wednesday's race was the first of the season. The Trailblazers quartet, each of whom ran an 800, was not present Friday after the three-quarter mile race when M'Call headed four an eighty-yard lead which he increased to 15 yards in a dash with Hamtramck's anchor man.

Central's other first place was in the diamond. The Trailblazer four, Walter Gave, Jack Cooper, Norman Hilly and Melvin Alexander, had a combined total of 377 feet, 2 inches.

"The victory was partly a political one as a ruling was made on the field that throws in Wednesday's prelims could not be counted Friday, as is the custom in all other track and field meets. Had this ruling been correct, Hamtramck would have won the event, but instead the Polar Bears managed to come out with a total of 376 feet, 4 inches. Had the Polar Bears been able to count their best throw of Wednesday with the best efforts of Friday, they would have triumphed by six feet."

The Polar Bears, however, gained some consolation in the 800-yard relay when Bob Schuman, Carl De Witt, Milford Penberthy and Vincent Van Fleet led their team all the way to win by two yards from Dushy.

Pershing Takes Broad Jump.

Ed Page, star weight, was led Hamtramck to victory in the shot put, the Common having a combined total of 166 feet, 11 1/2 inches. The disqualification of Eastern through Markkinen's ineligible pass West and Northwestern, fourth.

The Common's other points were gained from a second place in the two-mile, a third in the four-mile and a fourth in the broad jump.

Pershing high school, in its first year of track competition, captured an 800 honors by winning the broad jump.

Four Wayne boys, Robert Dr. Fred Durrett, John Rucker and Orice Moore, represented the Gatorals and leaped 75 feet, 4 1/2 inches. The best individual effort of the day was made by Godfrey Chasin, of Eastern, who jumped 21 feet, 10 inches to add the Indians in full force was two and a half feet of Pershing Central, which qualified with the best distance in the preliminary. Finished third, one foot behind the Indians.

But the Wayne boys, however, gained second in the 800-yard relay when they were led by Fred Lee, Albert Schulman, Charles M'Call and Martin Paul, who covered the course in 8:50.5.
