April 6, 1932—The call for spring track candidates brought out about 85 boys to start off the season and 25 to 30 more are expected to report as soon as other sports permit them to do so. The possibilities as yet are a little uncertain but Coach A. E. Stoddard has high hopes. The opening meet of the season is still quite a distance away and so a few weeks of practice should round the Central thinclads into condition for the opening tilt with Western State Frosh.

April 23—Central today opened its track season as the local harriers met Western Frosh. Although a strong Frosh team handed Kalamazoo a rather severe trimming by the score of 8 to 34, the showing of Central was by no means a poor one. Coach Stoddard's boys took three first places and tied for another to stay in the running until the Frosh pulled away in the final events.

Milford Haveman, Central's captain and state champion javelin heaver took first in his speciality with a toss of 163 feet. Jack Powell did some fine work in the high jump, clearing the bar at 5 feet 11 inches to tie for first. John Lambouy beat the field to the tape in the 120-yard high hurdles and Randall Swartz won the mile, followed closely by Massey and Baugher.

Coach Stoddard says he is very well pleased with his team this year and is looking forward to a good season. The complete results cannot be recorded here but the schedule is as follows:
