Hopping the hurdles, jumping rope, high jumping, and practice on the starts were the first signs of the cindermen out for practice in the Annex, March 30. Coach Charles Grube took over the reins of the track squad this season. With the prospects slim because of the loss of several Lettermen.

The lure of the track proved too much for some graduates, however. Art Byron, high jumper of last season's squad, turned out regularly for practice. Coaching the dash aspirants was Dale Clark, a prominent sprinter unable to compete this year. Harold Sparks, a junior, has proved to be the most outstanding Lumberjack this season. He has run the mile exceptionally well in all meets. John Zaytsow, veteran hurdler, continued his point winning of last season.

The cindermen were defeated by Saginaw and Owosso, April 23, in their first encounter, getting but 27 points. Ten Hillites placed in the meet, but Sparks and Zaytsow were the only first winners.

Arthur Hill again came out at the bottom of the heap in a quadrangular with Lansing Eastern, Lansing Central, and Saginaw Eastern held the at Michigan State College stadium, April 30. The team scored but 5 points.

Sparks and Zaytsow were once more heavy scorers in a triangular with Saginaw and Alma. Ray Pinnell and Fred Borchard won points for Arthur Hill for the first time in this meet. Ray took fourth place in the 100-yard dash, while Fred placed second in the half-mile. Arthur Hill repeated its

losses in a match with Saginaw High and Flint Central, May 14.

Fourteen boys went to Flint Central to participate in the Regional track meet deciding who should go to the state meet in Lansing. Richard Griffith, Harold Hahn, Harold Sparks, John Zaytsow, and the relay team won points and became eligible.

Prospects for Arthur Hill points seemed limited to Harold Sparks and John Zaytsow. Zaytsow took first in the 120-yard high hurdles and second in 220-yard low hurdles. Sparks had little competition in taking the mile run. His chances of breaking the state record of 4:32.8 were considered excellent. He was entered in the University of Chicago's national interscholastic track and field meet, June 4.

The 1931 squad was the strongest track team in recent years at Arthur Hill. Art Byron, Dale Clark, and John Zaytsow were the most outstanding. Arthur Hill placed third in a triangular with Saginaw and Owosso. Alma and Saginaw defeated the cindermen in the second meet. Flint Central and Saginaw took the next. Saginaw took the dual meet with close points. Art Byron broke the Class A Regional high jump record at 1 feet 10 inches. Bryon placed second in the high jump at the state meet.
