

CASS TECH	Deligh also r
William Daly, City mile cham- pion, won the mile event in the Northwestern meet in spite of a severe cold which he contracted earlier in the week. He was con- fined to his home, but was declared well enough to take part in his usual event. Daly promptly stepped out and won the race in 4:58 after leading all the way. Bill has shown consistent form, lapping the field in several meets and turning in time within a few seconds of the City record.
