 First Row: R. Fuller, Abent, R. Elliott, Armstrong, D. Fuller, Restool, Goetsch, Ross

TURIK

TRACK 1933

Starting the season with the annual interclass meet which was won by the 12A's, Coach Walter A. Graff had every reason to predict a successful season. Some excellent times were turned in by the seven ettermen and new material was brought to light.

The first dual meet resulted in a 57-47 victory for the Quakers when they traveled to Battle Creek on April 23.

On May, 2, 3, and 4, the Quakers engaged in a three day meet with Michigan State Freshmen. The yearlings were too powerful, overcoming the Easternites 87½-79½.

For the first time in track history, Eastern defeated Central rather handily by the score of 71-33. John Turik showed his versatility in this meet, winning the broad jump, low hurdles, and running in the winning relay team.

The Five-A League Meet and State Regional Meet combined was held at Ferry Field in Ann Arbor on May 20. Eastern defending its championship was again victorious, gathering 56 5/6 points for first place. Forrest Spencer turned in the best time of his sparkling career, when he won the 880 run in 2:00.9 while Darrel Fuller nosed out Wigg of Ann Arbor in the 440.

At the State Meet, the Quakers took fourth place. Spencer won the 880 in 2:03.9, followed closely by Adams who finished third. Fuller was second in the 440; the relay team was fifth, and Brockhaus, tied for fifth in the high jump. This climaxed a brilliant track season.
