Cosmos Defend City Track Title

Prep Stars Endanger Pair of Records

Hamtramck, with one of the best balanced track teams in its history, will defend its City high school championship Saturday at the University of Detroit Stadium track in the thirteenth annual meet.

The Cosmos, favorites to retain their title by virtue of having qualified more athletes in the finals than any of their rivals, are expected to find the most opposition from Northwestern, Eastern and Central.

The meet will mark the last chance for Michael Killinger, Cass Tech 100-yard dash star, and Roscoe Washington, Pershing high jumper, to better City League records. Killinger bettered Eddie Tolan's record of 10.1 for the 100 several meet. jump by Wil
