

LANSING TRACKERS SCORE MEET POINTS

But Local Boys Fail to Register High in Final Totals

SEVEN RECORDS MADE

Four Lansing high schools participated in the annual state interscholastic track and field championship meet at East Lansing last Saturday afternoon, but none of them finished up among the leaders. All were eclipsed by more powerful teams attending the Spartan stadium in the afternoon.

Headling Oakridge's home production in the mile, Edmond's in the 100-yard dash and Lansing's in the 400-yard dash. The other near-fifties of Michigan are supplied by Bixby, who led the mile race with four dollars in the pole vault.

Ender's meet was contributed by Oakridge, who was one of those who lost with Nelson for third place in the high jump and Madson on into the top five in the mile. The mile was simply too stiff and the boys too hard for the contest.

YANK TENNIS MEN SCORE CLEAN SWEEP

Beat Canadians Easily; Wilkins Sees Them Beating Mexico Same Way

WILMINGTON, Del., May 28 (AP)—The United States Davis Cup tennis team scores a clean sweep over the Canadian team Monday. A clean sweep over the Canadians was already in the bag Monday, the Canadian team being routed by the United States team Sunday.

The clean sweep over Canada was completed Monday by the United States team's victory in the final match against the Canadian team. The United States team was led by Bill Johnston, who was one of those who lost with Nelson for third place in the high jump and Madson on into the top five in the mile. The mile was simply too stiff and the boys too hard for the contest.
