

1935 INTERSCHOLASTIC HONOR ROLL

Compiled by E. A. Thomas.

The writer has endeavored to collect the results of all state high school meets and other important meets throughout the country and from these results has compiled an honor roll. The best recorded performances in each event during the 1935 season are listed. Performances worthy of record during the 1936 season should be reported to E. A. Thomas, Box 14, Topeka, Kansas.

It is difficult to compare the performances of boys in different sections of the country because of the variation in weather conditions. Some of the best performances recorded

were made either under ideal conditions or when there was a slight wind blowing to aid the runners. In some events the records from certain sections do not show up so well because of the terribly rainy season we had in the spring of 1935. For these reasons perhaps some of the boys whose records do not show up so well are really better than some who show up better on paper. The following records should, therefore, not be taken too seriously, but the boys who made them are good performers just the same.
