skill. The same holds true of the four professional stars.

Gamber, the Beverly Hills professional, is regarded one of the longest hitters in the country. He has an exceptionally fine left arm action. He will pair with Ormond Beaupre, Western Golf and Country Club professional, in a demonstration of wood shots. Beaupre also can hit them far. As to his form, he has an unusually fine pivot action it would do well for any golfer to study.

Dutra, like Gamber, already has won the Michigan Open and P. G. A.

ished fourth in the National Open. He is noted for his smooth, free swing, and will take part in a demonstration of iron play with Charley Hilgendorf, the Lochmoor Club veteran.

Hilgendorf has a short, compact stroke for his iron shots that is suitable to many golfers. Hilgendorf has been outstanding in competition in the past but hasn't had a great deal of time for tournament play of late because of his increasing duties at the east side club.

Timing and rhythm are all important in golf, and Mrs. Weiss is a perfect example of what can be accomplished in this respect. Physical strength is not as important as timing and co-ordination. Where Mrs. Weiss lacks in distance with her shots—although she still can poke 'em out there with many men—she makes up in accuracy and her short game, all of which she will

Northwestern Scores 60½ Points

Scoring points in every event, Northwestern High School's track team won an easy victory in the West League meet at the U. of D. Stadium Wednesday.

Northwestern scored 60½ points. Southwestern totaled 30 points for second place and Cass Tech was third with 14½. Other scores were: Western 13, and Chadsey and Mackenzie 11 each.

RUN ON MUDDY TRACK

Wednesday's events completed the meet which was started last week when the field events were held. The running events Wednesday were held on a rain-soaked, muddy track and good time was virtually impossible but there were several noteworthy individual performances.

Henry Jefferson of Southwestern ran a good race to win the quarter and Richard Waskiewicz of Chadsey made a show of his field to win both sprint races. Northwestern's Arnett Sydes, who started his track career as a miler, took the high hurdles with little difficulty and was in a three-way tie for second in the low hurdles.

FAVORED FOR TITLE

Northwestern, by the easy win to retain the West League title, became one of the three favorites for the City championship next week. The Northwestern team is bracketed with Cooley as Hamtramck's most serious rival for the title which Hamtramck now holds.
