# Hamtramck Seeks One More Crown

Hamtramck High, winner of the City outdoor track title for the third successive year, hopes to close the season with one more championship — the Wayne Relays at Belle Isle next Saturday, June 12.

The relay meet, the fourth conducted by Wayne University, has entries from virtually all Metropolitan League schools in addition to several Class A and B schools from nearby towns.

The program consists of the quarter, half, mile and two-mile, medley and shuttle hurdle relays, pole vault, high jump, shot put, discus throw, broad jump and a special 100-yard dash for Detroit sprinters.

Redford, runnerup to Hamtramck in the City meet, is picked to give the champions their closest competition.
