GIRLS' ATHLETICS

With a membership of forty girls, the basketball participants came out with a promise of good material for a varsity squad.

Under the coaching of Elizabeth Ballge, who replaced Ruth Plummer, the girls triumphed over Davison for their first game. Eleven girls earned their letters with five winning theirs for the second consecutive year. With all efforts combined, the team was a successful and high-spirited one.

The girls who were most frequently in the starting line-up were Isabelle Richards, Viva Wooliever, June Nichols, Juanita McPherson, Ruth Day, and Phyllis Smith, forwards; Doris Parker, Connie Coates, Louise Gundry, Kathleen Lawler, and Leslie Davis, guards.

Inter-class tournaments were played among the four upper classes. The honor of high school champs was bestowed upon the senior girls after a hard-fought battle with the sophomores.

GIRLS' TRACK

The '38 track season opened with a group of enthusiastic girls. Ruth Plummer took the helm as coach and endeavored to train a team for a good showing at the all-county track meet at Flint Central. Helen Kotila, '38, brought back a ribbon for second place in the baseball throw. Several 50-yard dash aspirants looked promising but failed to come through because of poor starts.

GIRLS' SOFTBALL

The Grand Blanc softball season of 1938 opened on April 18 with enough girls reporting to make four teams. With practices twice weekly, the coach, Ruth Plummer, was able to develop a team which won league games with Ortonville, Gaines, and Linden. The girls tied a game with Mt. Morris and lost to Bendle and Goodrich.
