

Rouge Track Meet Spices Spring Sports Clinic

By FRANK ANGELO

High school base ball and track coaches congregating in Ann Arbor Saturday for the third annual state association spring sports clinic will be treated to an added attraction—River Rouge High's first annual invitational indoor track meet.

Nine schools will compete in the meet to be held at the Yost Field House between sessions of the sports clinic.

Affording the only thing close to a state-wide indoor championship event, the meet has attracted entries from Lansing Eastern, Flint Central, Ann Arbor, Adrian, Dearborn, Wyandotte, Algonac, Melvindale and River Rouge. Trophies, medals and ribbons will be distributed. James McDonald, Rouge track coach, is in charge of arrangements for the meet, which will get under way at 11 a. m.

Among the outstanding contestants are expected to be Dale Kaulitz, hurdler, and Charles De Rose, shot putter, from Lansing Eastern; Francis Monaghan, Dearborn pole vaulter; Don LeCalir, Wyandotte shot putter, and a Rouge 880-yard relay team composed of Lowell Healy, John Moehl, Arnold Kemp and Harold Hellar.

The program for the sports clinic will get under way at 10 a. m., with base ball and track motion pictures scheduled to be shown. In the afternoon, demonstrations in each sport, with Coaches Charles Hoyt and Ray Fisher leading the discussions, will be held at the Yost Field House.

Coaches from throughout the state, with a goodly number from Detroit, are expected for the program which will give impetus to the spring sports program, at present in a dormant state due to weather conditions.
