

AUXILIARY RUNNERS

Drill Officer Hazel Dowd staked the hopes of the Grand Blanc Training Camp for victory in the County Track Meet at Flint Central on ten recruits who volunteered for the Auxiliary Runners squad.

The ten trained faithfully. On June 6, the day of furlough, the trainees took their jeep to go to the meet. Beverly Upper placed first in the shot-put and softball throw and fourth in the hop-step-jump to score 12 points

and received a medal for scoring the most points. Eleanor Dunkel placed fifth in the shot-put and standing broad jump. The squad finished third, the best showing ever made by the A. R.'s in the County Track Meet.

Trainees who received their stripes for performance in active duty were Beverly Upper and Eleanor Dunkel.
