## Girls' Track

With twenty girls reporting for track, nine were back from last year. Although handicapped by having a late start, they were successful in bringing home five places from the County Track Meet.

County Track Meet.

The first meet at M.S.D. on May 22, 1942, was a "walk-away" for the Grand Blanc Thinclads. Beverly Upper and Margaret Drost came parading home with huge displays of first, second, and third place ribbons.

On May 29, 1942, with the girls "stacked" in the school's station wagon, they headed for the Annual All-County Track Meet, held at Dort Field in Flint. Beverly Upper suffered a sprained leg and was slowed up in her participation of hop-step-jump. The girls tried hard and we are all proud of the showing they made in this contest.

Though the meets are few, the practices maintain the sport's body-building standards. The participants work out individual feats and more girls would benefit from both physical effects and enjoyment, if they would try it out. Letter winners were determined by the record they made in the County Track Meet. They are as follows:

Beverly Upper	Awards Second Place Second Place Fifth Place	Softball Throw
Nutii Sanders	Fifth Place Fifth Place	Prood T
