Frosh Rule Abandoned by Wayne

First-Year Men Made Eligible for Varsity Sports but Transfer Restriction Is Kept

Wayne University has followed the lead of numerous schools and athletic conferences by abandoning the freshman residence rule for the duration of the war. The school's Athletic Advisory Council adopted a resolution Wednesday providing for four years of athletic competition for incoming students.

No change has been made in the case of transfer students and as in the past they will be required to complete a year of residence before being permitted to play on varsity teams. Graduates of junior colleges are eligible for immediate competition, though.

Last week the ICAA announced that starting with its cross-country run next fall, freshman athletes would be allowed to compete with varsity teams.

Wayne will compete in only football and basketball, having dropped all other sports for the duration.

Nick Londes Out at Arena Gardens

The Arena Gardens promotional partnership of Nick Londes and Maurice Feldman has been dissolved by mutual agreement and Londes no longer will be identified with Arena Gardens wrestling, it was announced Wednesday.

Weekly programs will be held as usual at the Area, however, and Monday night's card will feature Walter Roxy and Martini Angelo. In the semifinal, Nick Billings will meet Lefty Pacer.

Eastern's Relay Squad Betters 880-Yard Mark

Southeastern, the defending champion and favorite, led the way by qualifying seven men Wednesday in the semifinals of the Metropolitan League track meet at Belle Isle. Cooley, West Side and City indoor champion, was next with six men in the competition which produced one record—in the 880-yard relay.

Eastern's quartet, composed of Don Wines, Bob Knoll, Emil Simonel and Arnold Jones, clipped six-tenths of a second off the mark set by Central in 1939 in winning the 880-yard relay in 1:32.2.

Six qualifiers in each of the 10 events held Wednesday will participate in the finals at Belle Isle Friday afternoon. In addition fields of 12 men will clash in the mile and high jump. Scheduled trials in the latter event were canceled because of the muddy condition of the pit.

Aside from the feat of the Eastern relay team, the outstanding performance of Wednesday's trials came in the 880-yard run when Art Marx, of Cooley, covered the distance in 2:03.9.

Both Southeastern and Cooley have a man qualified for the mile and high jump events.

THE QUALIFIERS

The 120-yard high hurdles—Bob Knoll, Eastern; Dick Rogers, Cass Tech; Bob Fraser, Mackenzie; Dick Harris, Cass Tech; L. Brown Jackson, Western; and Ted Lasky, Northeastern. Best time—15.7 by Harris.
