

# JACKSON EASY TRACK WINNER

## Vikings Smother Sexton and Eastern in Triangular Meet at College

Eastern and Sexton high school athletic prestige was smothered over the damp cinders of the Michigan State college track Friday afternoon when Jackson high romped to an easy victory in a triangular meet. The final score read: Jackson 90, Lansing Eastern 21½, Lansing Sexton 18½.

It is doubtful whether the 30-year rivalry of these three schools could produce an instance where the two Capital City representatives were more hopelessly outclassed. The Vikings won 10 of 12 first places and garnered 29 of the 45 places as they more than doubled the combined total of their two opponents. Dale Emerson brought Sexton its only victory of the day in the opening event when he raced the 120-yard high hurdles in :18.7. Clark Surato heaved the shot an even 33 feet to give Eastern its only decision.

Joe Lozier, who gave up a promising prep baseball career to compete in track, paced the Vikings by winning the 100 and 220 dashes, placing second in the shot put and anchoring the winning relay team.

The meet, staged in cold weather, was the opening event for both local squads.
