

**RUNNING FORM**—Boys' domination of track was interrupted briefly at Dort Field Friday as County League girls took over. Here, Joyce Jenkins, right, who also took the broad jump, leads the way in the 60-yard dash where Kearsley collected 10 of the 46½ points it used to win. # Fenton Reverses Tables in Track

By Dick Rappley

A bitter taste of its own medicine is Kearsley High's today as the trackmen were runners-up to Fenton Friday, for Genesee County honors after winning in Regional competition with the Tigers. The results of the annual County track feud at Dort Field followed last year's pattern as Fenton tallied 53 4/7 points to Kearsley's 50 3/7.

A year ago, however, the principals were reversed, as Kearsley came on to win the league championship after losing to Fenton in the Regional. Coming from behind in the closing events, the Tigers gained The Flint Journal

trophy, their third such prize of the year, having already earned football and basketball titles.

Led by John Howe, a double winner, Fenton grabbed 7 of 14 firsts and tied for another, while Kearsley's depth wasn't sufficient when the ex-champs were restricted to a single winner. The tide turned to Fenton when an obscure half-miler, Chuck Franks, put on a blazing finish to win one section of the divided 880 as favored Dick Kardos of Kearsley wound up third.

Howe, the hurdling half of the brother act, was the meet's individual ace with 11 11/28 (that's right) points. He won the highs and lows, anchoring the relay, and adding 1/7 of a point in the high jump. After setting school hurdles marks of 16.6 and 24.1, he lugged the baton across at 1:39.9 in the relay win that erased Kearsley's last hope.

John wasn't the whole show as other winners were George Howe with 4:47.3 in a muddy mile, Vince Harrison in the century, Allen Gale in one 440, and Franks. Two more Tigers figured in a four-way deadlock for pole vault laurels.

Lone winner for the runnerup team was Ward Powers in the high jump. Flushing, despite firsts by Harry Bedford, Earle Ormiston, and Lee St. John, got only a tie for fourth. The team scored 23 1/7 points, equalled by Mt. Morris with two winners, as third-place Grand Blanc had only a share of a first in 28 2/7 points. Only other scorer was Clio with 7 3/7.

The girls champion, decided simultaneously, was Kearsley with a 4-3 margin in firsts and a 46½ to 38 point advantage over Grand Blanc. Kearsley's Joyce Jenkins led the girls, winning the 60-yard dash and the broad jump. All five teams tallied points, the other scores being 11½ for Flushing, 4 for Beecher, and 2 for Davison.

# Hogan Perils Goodall Mark

Texan Has 11-Hole Lead in Round-Robin

Mamaroneck, N. Y.—UP—Ben Hogan, the little man who never cracks a smile during business hours, threatened today to turn the \$10,000 Goodall Round-Robin Golf Tournament into an utter rout with the show less than half completed.

The poker-faced Texan began his fourth round with an 11-hole lead over 14 of the finest players in the game and the all-time Goodall record set by Harry Cooper in 1939 already was in sight.

Picking up 15 points in two rounds over the soggy turf at Winged Foot Golf Club Friday, Hogan had a total of 25 holes to his credit as he headed out with two of the soft touches of the tournament—E. J. (Dutch) Harrison and British Open Champion Dick Burton.

Cooper's tournament record is 31 holes for seven rounds, only six more than Hogan has compiled in three.

Milling around behind Hogan were Herman Barron of White Plains, N. Y., who had 14 holes to his credit, Byron Nelson of Toledo, Ohio, with plus 13, Harold McSpaden of Sanford, Me., plus 11 and Lloyd Mangrum of Los Angeles, plus 10.

The rest were scattered far below and out of contention.

Nelson, who drove within two points of Hogan on the morning round Friday, led the field off the tee today against Sam Byrd (minus 18) and McSpaden, Burton (minus 29), Harrison (minus 8) and Hogan followed. Next in order were Jimmy Demaret of Houston (minus 1), Barron and Herman Kelsor, Akron (plus 2); Bob Hamilton of Chicago (minus 11), Mangrum and Jimmy Hines (minus 4); and Lawson Little (even), Sam Snead of Hot Springs, Va., (minus 5) and Vic Ghezzi, Knoxville, Tenn., (plus
