

Detroit Preps Reduce Indoor Track Card

City League athletic directors, meeting for the first time this year, approved a track schedule submitted by high school coaches.

The new schedule will slice two dual meets off the indoor track program and limit the combined indoor and outdoor seasons to 12 weeks.

The new slate will leave four schools, Mackenzie, Cooley, Northern and Northeastern, with only one league dual meet before entering their sectional qualifying meets.

THE REMAINING schools will participate in two dual meets. Under the new program, the entire indoor season will last only three weeks.

A proposal to initiate action toward securing the Coliseum for basketball double-headers next season was withheld. It will be presented at the next meeting of the directors on March 3.
