

Trojans Put 11 in Finals at Central

Match Cooley as Tars See Title Hopes Fade

A balanced track team from Miller High School stole the spotlight Wednesday in the semifinals of the City League's indoor championships at Central.

Cast in the role of stand-in to Denby, the East Side titlist, Miller was the surprise of an 18-team field as it moved into the No. 1 challenger spot for Cooley's crown.

THE TROJANS qualified 11 men and a relay team for Friday's championship meet at Central. Tom Stewart, Denby's versatile speedster, picked up three of the Tars' seven positions in the finals.

Cooley, the defending champion, also qualified 11 men and a relay team.

Don Boyd, of Eastern, added his name to the 11-man group which holds the league's 30-yard low-hurdle mark. Boyd equaled the .04 standard, originally set 27 years ago.

Stewart also tied the mark as he won the first heat in that event, but he already was one of the co-holders.

Northwestern was third in the number of qualifiers with eight. Denby was next with seven, Redford gained six spots, Western four, Mackenzie three, Pershing, Eastern, Southeastern and Southwestern two each, and Hamtramck, Cass and Northern one each.
