HP's thin clads, after absorbing 12 straight losses in dual competition, climbed off the floor to beat Royal Oak, who was their first victory since entering the BCL.

The McMullinmen, disheartened by not having a track of their own, stretched their victory skein to two in a row when they traveled to Hamtramck and posted an impressive win over the Cosmos. Five Polar Bear sprinters won places in the Michigan State High School meet last spring. The four comprising the 880-yard relay team, which incidentally, set a new BCL record, were Jon Gallimore, Cliff Goden, Charles Randles, and James Harrison. The fifth, Ed Scott, won fourth place in the high jump event at the state meet. One of the top sprinters in the state, Gallimore is a 10-second man in the century yard dash. Harrison has been clocked in at 14.6 for the 120-yard low hurdles, a time which is outstanding for high school.
