

Trojan Trackers Measure Albion

East Lansing high school won a dual track meet from Albion, 67 to 42, on the college track Friday afternoon.

Coach Lynn Adams' thinclads swept the opening event, the 120-yard high hurdles, and then capitalized on a break to win the medley relay. The Trojans had scored 14 points before Albion placed a man, and they added steadily to their early lead.

The two anchor men in the medley relay collided in the stretch and both were seen sprawling. Both got up and crossed the finish line, but the Albion runner failed to retrieve his baton.

Jerry Ketcham won both hurdle races for East Lansing and also got a first-place in the high jump to lead all scorers. Joe Lee was high for Albion with firsts in both dashes plus a good anchor leg in the 880-yard relay.
