

Eastern High Track Team Buried By Strong Ann Arbor Team, 101-8

By BOB HOERNER

Winning only one race and placing third in three more events, Eastern's thinclads fell before Ann Arbor high's powerful track squad Friday on the Pattengill track, 101 to 8. It was the first meet of the season for the Quakers, and Ann Arbor's seventh straight victory, including four indoor meets.

Ann Arbor handed two points to Eastern when they only had two runners competing in the 100-yard dash and the middle run, and so assuring the Quakers of at least a third place in these events. John Bond was Eastern's lone winner when he paced the field in the 440-yard dash.

Bob Fowler took individual honors for the visitors by winning both sprints, coming in second in the broad jump, and running a leg on the winning 880-yard relay team.
