High School Track Stars Win Another

By Norm Mangouni

Ann Arbor High trackmen concluded their indoor dual meet season yesterday with a 62²/₃-14¹/₃ triumph over Redford Union.

Coach Tim Ryan's Pioneers, who thought their string of successes had been snapped at 28 by the Michigan State Normal College freshman team, also learned yesterday that the Hurons used two upper-classmen in the meet and thus may have to forfeit their victory, a close 50-41 decision scored Tuesday.

However, there has been no official change in the records yet.

Members of Normal's team admitted that Frank DiCommandra, a sophomore, and Jim Stapleton, a senior, earned points for the freshman against the Pioneers.

Ryan's charges didn't have much difficulty disposing of Redford Union yesterday.

Feature race of the meet was the mile in which George Jayne stepped off the distance in 4:43 to tie the school record set in 1931 by Hoyt Servis. Two weeks earlier, Jayne had bettered the half-mile standard, which had stood since 1914, by turning in an excellent 2:05.9 race.
