

# Harrier Champs Romp in Opener

*Colts Outrun Cooley, 22-36;  
Redford, Northeastern Win*

BY GEORGE PUSCAS

Northwestern set out in quest of its sixth straight City League cross country championship Wednesday, and despite a chill and heavy wind came off with an easy 22-36 victory over arch-rival Cooley.

Burle Huggins, the Colts' veteran distance ace who was fourth in the 1951 City final, led the pack over the two-mile Palmer Park course in 10:24. Ron Action, of Cooley, was second, some 30 yards back.

Huggins' clocking was the best of the opening round of dual and triangular meets.

**IN THE TEAM** battling Redford, which expects to challenge Northwestern for the West Side crown, delivered the most impressive runaway -- a perfect 15-70 conquest of Central, slamming the top five positions. Al Manser led the Huskies in 10:58.

Northeastern's Stan Sankovich posted a 10:31 while leading the Falcons to a 16-39 triumph over Miller.

Bob Williams' 10:40 sent Pershing to a 23-32 edge over Northern, and Maurice Sailor's 10:47 was tops as Denby (33) edged Mackenzie (36) and Eastern (79) in a triangular run.

Two football games are on Thursday's program. Southeastern will take on Wilbur Wright in an afternoon contest at Jayne Field, and U. of D. will face Northwestern in a night affair at Wyoming Field.

**SOUTHEASTERN** dropped a tough 2-0 decision to Denby in its East Side debut last week and will be a heavy choice over Wright, which dropped a 34-0 exhibition decision to Chadey.

U. of D., easy winner over Southwestern last week, and a co-favorite with Redford in the West Side race, should handle Northwestern in stride. The Colts bowed to Central, 12 to 7, in their first start.

The Southeastern-Wright game is slated for 3:30 p. m., while U. of D. and Northwestern kick off at 8.
