

1953 FINAL CROSS COUNTRY RUN RESULTS

Two Final Cross Country Runs were held this year. The one in the Upper Peninsula was held at Iron Mountain on October 10 and the Lower Peninsula Run was at Michigan State Normal College, Ypsilanti on November 7.

In Classes A and B in the Lower Peninsula it was necessary to hold regional cross country runs due to the increase in number of schools sponsoring this sport. Regionals were held in Classes A and B at Grand Rapids, Lan-

sing, and Birmingham on October 31. Teams and individuals qualified to the Finals in these two classes from regionals. In Class C-D there are not enough schools which sponsor cross country to make it necessary to hold regional runs.

Following are the team scores for schools entering complete teams at each Final Run and the order in which they finished.
