

SEVEN RECORDS GO BY BOARDS

Saginaw Regains 'A' Title in Chip Relays

BY HAL SCHRAM
Free Press Staff Writer

MT. PLEASANT — Saginaw High regained the Class A title in the Central Michigan College Relays Saturday in a typical final showdown with arch rival, Flint Northern.

The Trojans, who hadn't won here since 1949, won by 11/10 points despite a record-shattering 1:32.2 effort by Northern's 880 yard relay team in the closing event of the program.

SAGINAW WON only three events, two relays and the high hurdles, and was disqualified in the 440 but still managed to pile up 59 7/10 points to Northern's 58 3/5.

Arthur Hill, the defending champion, placed third with 47 1/5, followed by Pontiac with 44 3/5, and Lansing Sexton with 32 1/2. Thus Saginaw Valley schools finished in the first four spots and took home most of the medals and trophies.

Marlette, Sanilac County squad, compiled 40 points to win the Class C crown. Grand Rapids Lee finished a close second with 38 3/5 points, followed by Reed City with 28 1/10, Fulton with 26, Shelby with 24 and Marion with 22.

SEVEN RECORDS were set and an eighth tied with Ed Ringgold turning in a spectacular double for Pontiac. Ringgold won both the high jump and the broad jump. His leap of 21 feet, 11 1/2 inches in the broad jump broke a mark which had been on the books since 1942.

One of the records was established by St. Joseph of Detroit who retained the title it won here a year ago, in the middle distance medley relay.

A St. Joseph quartet of Paul Halkey, John Lewandowski, Duke Scrafano and Roy Tellerin negotiated the mile and one-half grind in 6:02.7, clipping better than six seconds off the former mark of 6:09, set by Saginaw Arthur Hill in 1949.

ANOTHER DETROIT area youngster, Sophomore Jim Vollmer, of Wyandotte-Smith won the Class C high jump with a record leap of five feet 10 3/4 inches.

Dave Whitsell of Shelby, was the biggest individual winner. Whitsell took the Class C broad jump and shot put and placed fourth in the high hurdles. His jump of 31 feet, 2 1/2 inches in the broad jump also was a record.

Joel Boyden, 265-pound Muskegon shotputter, tossed the ball 52 feet, three inches but his effort fell more than two feet short of the record.

Wes Santee, dazzling University of Kansas miler, falter dully to crack the world half-mile record Saturday and blamed an argument with an official of the track meet for his slow time.

Santee ran the 880 in 1:53.5, far off his announced goal, the world mark of 1:48.6 held by Mal Whitfield. Santee's effort wasn't even as good as the Kansas-Kansas State dual meet record of 1:53.1, set in 1952 by Art Datzell, Kansas.

The slim Jayhawk runner said he was "upset" by a dispute with E. A. Thomas, official starter and referee. Thomas objected to Santee's coaching of teammates in the 446-yard run which was held just prior to the half-mile event.

Kansas won the dual meet before 3,000 fans without difficulty, 78-52. The Jayhawks won 10 firsts against five for K-State.

Blind Bowler Rolls 211

A 15-year dream came true Saturday for a blind Detroit bowler.

Kenneth Perry, who rolls for the Blind Products Sales Team in a league at Red Mill, hit the first 200...

Doctoring Your Golf

BY DR. CARY MIDDLECOFF

PATIENT'S COMPLAINT:

Wasted Strokes.

DIAGNOSIS: Poor Club Choice.

TREATMENT: Today I pass along a lesson that I learned early, and which has done me a lot of good. It spared me wasted strokes. Be very particular in your choice of clubs. Pick the club to fit the lie. Don't just grab any club because your ball happens to be a certain distance from the green.

If your ball lies poorly, in deep rough, a divot hole, a road rut, or perhaps heavy in a bunker, play to get out where you can get a good succeeding
