10 years. Saginaw scored 35 points to upset defending champion Flint Northern, which had 32.

Entering the final events, it appeared as though Flint Northern would retain its title, leading Saginaw by two points. But Bob Maturan—a remarkable athlete—tied for first in the pole vault with an effort of 12 feet. It gave Saginaw five more points, enough to beat out rival Northern.

Inkster had firsts in the 220-yard dash, 880-yard run and the 880-yard relay but depended mostly on team depth for victory.

In the relay, the Vikings' celebrated team blazed the distance in 1:21.4 to better the former mark of 1:32.4, set by East Lansing in 1938.

Marlette finished second with 20 points with Tom Lick winning the high and low hurdles.

Norman Dickson Brethren, a track-minded school in the Manistee County woods, roled to its third straight Class D crown by piling up 38½ points. Spring Arbor was far behind, with 36½.

Dick Beane — the outstanding 16 performer of all classes — won three events for Brethren — the 12 low hurdles, high hurdles and high jump.

Here's how Blue Water District teams fared in the finals:
