

Track Stars Vying Today

Annual Prep Meets Held at Two Sites

(By Associated Press.)

Hundreds of schoolboys converged on Ann Arbor and East Lansing Saturday for the finals of the high school track meets.

Teams from classes A and C will compete in Ann Arbor, while the B-D events will be held in East Lansing.

Thirteen events are scheduled in each class—nine running events and four distance.

A two-team battle for class A honors seemed in the making, with Saginaw High seeking to unseat Flint Northern as defending champion.

Inkster rated an edge in class B mainly on its relay strength.

In class C Lansing Everett was expected to win rather handily, while Norman-Dickson of Brethren, class D champion for two straight years, was figured to have a genuine battle on its hands in shooting for its third straight crown.
