The speed merchants from Manistee County piled up 461/2 points as an expected twoteam battle for the crown went awry, with Spring Arbor a poor second at 33 points and Freesoil a distant third with

Kingston, perennial Little Seven Conference power, led the Saginaw area teams with 17½ points for fourth place. Mt. Pleasant Sacred Heart landed in seventh with 1234 points and Maple Grove St. Michael grabbed ninth with 11.

However, area teams failed to capture any first places, although Kingston's 880-yard relay team of Bill Bastin, Don Barden, Don Long and Ralph Wenziaff did win its race, one of two heats. Brethern won the event on

a time basis with a 1:37.2 clocking to 1:38 for Kingston. Both teams have been timed much faster several times during the season. \* Brethern yesterday displayed the same sprint and relay strength it did in winning the

Two records were set. Norm Burns of Brethern won the shot put with a 49-feet-3% heave that bettered the old record of 47-feet-5 set by Milt Glassner of Diamondale in

Ray Pieper of Michigan School for the Deaf was secand with a 48-feet-9% toss that would also have been a record, while Tom Cashen of Mt. Pleasant Sacred Heart was third. The other new mark came in the 850-yard run, won by Ed Fitzgerald of Spring Arbor in 2:05.2 to snap the 2:06.5 mark of Dave Heimberger of Spring Arbor set last year.

Don Barden of Kingston was second to Rollie Joics of Wolverine in the 180-yard low hurdles, while Joe Dick of Maple Grove St. Micheal and Bob McEvoy of Mt. Pleasant Scared Heart were fourth and sixth respectively to Joles in the 120-yard high hurdles.

## Pontiac Chiefs Run Away With State Track Title

By JOE HART

EAST LANSING - The Saginaw Valley League still has a strangichold on the state Class A high school track laurels.

This season's SVL pride and joy-Pontiae-romped to the Class A team title yesterday afternoon on a sun-baked Mich-Igan State College track.

Coach Wally Schloerke's powerful Chiefs amassed 51 13/14 points to succeed Saginaw High, the SVL powerhouse that had won seven titles in the last 12 years, as the Class A champion.

Although far out-distanced by Pontiac, the Trojans of Coach Herb Korf made a surprising bid for runnerup honors.

Saginaw High placed third in the team scramble with 15 13/14 points. Flint Northern kept the one-two-three SVL sinish intact by grabbing second by 1 1/14 of a point with 17.

The Trojans' battle for second place went down to the final event, the pole vault. Flint Northern had no entry so Saginar High could have grabbed runnerup honors had Jerry Hamling been able to score four points in the event.

> Hamling gave it the "college" try, clearing 11-feet-6, but had to settle for a six-way tie for second place, thereby collecting 212-points. Hamling did bump Kalamazoo into fourth place with 15 points.

Arthur Hill found the going rough in the intense competition, Coach Glen Mason's Lumberjacks could acrape together only two points on a pair of siath places.

Detroit Catholic Central was fifth with 13 points, while another SVL entry, Bay City Central, was sixth with 12 3/7 in the closely bunched field of also-rans,

Alpena, thanks to a brilliant performance by Pete Dant in the sprints, and Tpsilanti tled for seventh, each with 12 points. Dearborn Fordson, which set two of the three state records in the meet, was ninth with 11 points behind Benton Harbor with 11 3/7.

A total of St Class A schools scored in the meet. Traverse Cily, which won the regional title at Saginair last week, was far down the list with a meager 7 3/7 points.

Hayes Jones, Pontiac's versatile junior, was the meet's top performer, much to the regret of Saginaw High's smoothstriding high hurdler, Bill Chesney.
