

Colts No Longer A Threat

East Side Conceded City League Crown

BY HAL SCHRAM

Only two definite conclusions could be drawn from Tuesday's qualifying events in the City League's West Side track and field meet.

1—Northwestern High will not repeat as West Side champion although the Colts have won eight of the last nine years.

2—The West Side does not have the power to regain the City League title in next week's finale. The West side hasn't won the all-league championship since Mackenzie turned the trick in 1951.

"Tonight's work showed our chances early," said coach Jimmy Buswell of Northwestern. "This is the first meet in which I could relax in 10 years."

THE COLTS landed only four individuals in the seven events in which qualifying was held Monday at Sawyer Field and will not be a factor in Friday's West Side finale.

Central, the dual meet king, enjoys only a slight edge over such challengers as Mackenzie, Redford and Cady.

Any of the four schools, with the proper luck, can win Friday. Coach Sandy Sanford's Central squad has a record of 21 straight dual meet victories over the last two and a half years.

TWO EVENTS were completed Tuesday, the pole vault and shot put, and Cady took an early lead when Jerry Lala won the vault with a leap of 19 feet eight inches and teammate Carl Genslak ended in a tie with Don Judd of Redford, for second place.

Best qualifying time of the day was posted by Redford's Doug Carroll, who stepped to a nifty 59.6 effort in the half mile.

Thursday Demby and Miller will fight it out for East Side honors at Demby starting at 2 p. m. West Side qualifiers:
