

Win Initial Tourney of Champions

KALAMAZOO (Special)—One of the best track teams in Inkster High school's history added frosting here last week to the "cake" of a perfect season.

Already the winners of the state Class B championships, plus the Central Michigan and Albion College Invitationals, Inkster put icing on their perfect season cake by winning the first annual "champion of champions" meet here last Friday before 2,500.

The initial track and field extravaganza truly befitted its name as nearly every State prep thincled champion, regardless of school or affiliation, contested against each other.

'A' Champs Don't Vie

Pontiac's state class A champs and Dant were the only teams not to compete. The champion Chiefs stated that their season had already ended.

Inkster produced winners in three races. Charles Kyser took the 220-yard dash, Bill Wyatt finished first in the 440 and Kyser and Wyatt teamed with Charles Callaway and Charley Boyd to win the half-mile relay.

Kyser also took a fourth in the 100 which Joe Christie of Muskegan Heights won since Pete Dant, Alpena's state champ, was absent, being in the midst of school exams.

Rouge Jumper Ties

Walter Ector of River Rouge finished in a four-way tie for first in the high jump, while Harold Didier of Birmingham placed second in the half mile.
