

Charon and Holowosko Are Point Getters

HAST LANSING, MICH., May 18 (UP)—Pontiac, reigned today as Michigan Class A high school track champion for the third year in a row and Traverse City held the Class C crown for the third time.

Chas. Chardon, of Pontiac, who gave the powered Stearns Valley Legion a champion for the 1000 yard in the meet, 13 meters, covered enough points in the high jump, half mile and mile to make the title Stearns' at rain-soaked Michigan State.

Nearly one half of Pontiac's 23 points came in the high jump as Hudson Ray, Alvin Berg and Fred Brooks over the obstacle of overwheeled fish.

Tim Northern, the premier favorite and also a Stearns Valley League member, gave the runner-up with 23 7/11 points.

Traverse City took only two points in the broad jump—by Robert Holowosko in the 125-foot and high hurdles and Carl Charon in the broad jump—but availed its points total to 27 with a second, ten third, fourth, fifth and a tie for and third in other events.

Alvin Chardon, St. Mary had one in the Class C competition.

Pontiac's biggest point-getter was Ray, who added a mile place in the broad jump to his high jump victory for a total of 17 points.

Ray took a back seat to total meet man Hudson Jones in last year's meet when Jones won three events and ran for Pontiac's winning relay team for 13½ points.

The Jones relay had through graduation had Jones and the Chardon relay were expected to make enough strength to outdistance Flint and Northern, second in the sprint and hurdles, this spring.

But Pontiac got a first from Roger Coats in the mile and another victory from Larry Beemer in one section of the 800-yard run.

Those 11 points, plus the 25 in the high jump, were enough to top the Flint Stearns team effort.

No records fell during the meet because of a downpour which fell during most of the day and the cold temperatures which accompanied the rain.
