

Home First

Home first, was Central's ace hurdler, Dick Bezile, shown taking the final hurdle in the Class A track finals at East Lansing last Saturday. Dick posted the best qualifying time in the morning eliminations and matched that with an identical 20.1 time in the finals for the best time of the day in this event. The track was very soft and it was only the second time in the last five meets that he has gone over 20 seconds in the event. No new records were set at the meet.
