

* * *

TRACK NOTES: Several local and area stars have been invited to compete in the all-class Junior Chamber of Commerce "champion of champions" meet on Kalamazoo College's Angell Field, Memorial Day. . . . Only the best in the state are invited. . . . Included are Bearcats Welton Bonner, shot put, and Bob Jones, sprinter . . . Jim Kendrick, four-event star at Albion High, also will compete . . . Stars from 36 schools have been invited to the extravaganza.

Here's an encouraging note for prep tracksters: Willie Attleberry, the freshman sensation at Michigan State University who recently was clocked in 48.2 seconds in the 440 and 1:51.7 in the half-mile, was no great shakes in high school . . . While a prep at Detroit Eastern, his best time was 2:07.0 in the half-mile and 4:42.0 in the mile.

Ex-Bearcat Jim Arnold's South Haven team added the Wolverine Conference championship a few days ago to its Hastings Relays title earlier in the season . . . Jim, in his second year as a coach, won't be around next season because the army is beckoning.
