By JACK MOSS Gazette Sports Writer Michigan's top prep track and field stars took advantage of perfect weather Thursday evening to turn in a wealth of brilliant performances in the second annual JCC "Champion of Champions" meet before 2,500 fans at Angell

Field. Several state records were bettered and a host of track and individual school standards smashed by the more than 150 athletes from 57 Michigan high schools.

The Gazette trophy for the most outstanding individual performance of the meet went to Battle Creek's Bob Jones, who won the 100 yard dash in 10 seconds flat and the 220 in :22.1. He was the only double winner of the meet.

Although Jones was the individual award winners, there were 500 Classic plenty of other outstanding performances.
