MANSFIELD, O. — Pontiac High, three-time State Class A track champion, gained an added and satisfying measure of Midwest western prestige Saturday.

Coach Dean Wilson's Chiefs, a trim squad of 12 speedsters, won the 27th Mansfield Relays with a smashing total of 390.9 points.

Mt. Lebanon, Pa., with 296 points, finished second followed by Akron North's 16.

This was Pontiac's second victory here in three years. The Chiefs are the only Michigan squad ever to win this premier schoolboy attraction.

Michigan had three other champions while making its finest showing in history here.

River Rouge won the short hurdle relay with Art Welch, Bob Miller, Don Gardner and J. B. Broadnax touring the course in 39.3.

A Flint quartet—Gary Cronshaw, Bill Milum, Carl Odum and Wylie Rogers—won the two-mile relay in 8:29.8 after finishing second to A.S. North in the four-mile relay Friday.
