## Redford Has Scare -But Wins

### And Pole Vaulters Carry Relays Load

**BY TOM McPHAIL**

Redford High won its own Relays Carnival for the third straight time Monday but needed a surprisingly strong showing in the pole vault to edge six other prep teams.

The "Hawks" placed 24 points on three first places, a trio of seconds and a pair of fourths to outdistance Cody, second with 24, and Redford Union, third with 21 1/2.

Monroeville was fourth with 12 1/2 points, followed by Marquette 18, Farmington 17 and Shuron 16.

Carl Grattier and Gary Thornley, a pair of juniors, turned in the best performance of their shot careers for an all-important second place in the pole vault when Redford carefully had built a one-point margin over Cody in the meet's 11 other events.

**SHOOTER** cleared 20 feet 6 inches and Thornley 20 feet, each one inch higher than their best previous leaps as the Hawks edged out Cody for the vaulting runnerup spot.

Redford Union won the event with a combined vault of 20 feet by Erik Tink, Larry Purdy and Jim Bill.

The pressure-packed finish would have been unnecessary had not it been for a pair of 40-yard dashes which took a first and a fourth away from Redford.

As it was, they picked up some points by setting three of the four meet records established; Monroeville set the other.
