

# Coaches Predict Redford to Win City Track Crown

By HARVEY BARCUS

After its showing in the West Side meet and the U. of D. Relays, other coaches have all but conceded the Metropolitan League track championship to Redford High.

The preliminaries will be held tomorrow and the finals Thursday on the Mackenzie track at Wyoming and West

## DODGERS

Continued from Page 17

the 6-4 right-hander, working in 48-degree weather and a stiff 20-mile wind, yielded only two singles—one by Al Dar't in the first and one by loser Dick Drott in the third.

While the Dodgers were trying to win games and influence voters, the San Francisco Giants climbed back into first place by snapping the St. Louis Cards' four-game winning streak, 7-2. After dropping three straight, the Giants backed up Johnny Antonelli with an 11-hit attack.

Bob Friends, Pittsburgh and the rain combined to drop Milwaukee into second place. Friend held the Braves to five hits while the Pirates built up a 5-1 edge. Rain stopped the game three times and finally forced the umpires to call it off after seven innings. It was Friend's eighth victory.

### CURFFW HALTS TIE

Cincinnati's Bob Purkey won his sixth, 2-1, over Philadelphia in the first game. The two clubs struggled to an 11-11 tie in the second game, finally stopped by the Sunday curfew in the ninth. It goes into the records as a suspended game to be played at a later date.

Williams, the Dodgers' new

Chicago. The field events start at 2 p.m., the running events at 3.

Even Coach Bruce Waha, usually cautious and pessimistic in his remarks, says, "I guess they'll have to beat us for the title."

### PERSHING WEAKER

"We don't have last year's strength and will to be 'way up' for everything to have a chance," said Coach Carl Holmes, of Pershing. His team won the Metro team honors last year.

"I think we could beat Redford in a dual meet with our balance, but they have too much power for us in the championships where the points are broken up," the Pershing coach added. "Redford has strength in 440, half, mile, both relays and the shot put which should be enough to win."

Redford scored 94 1/5 points in the West Side meet and 72 were in its six big events. Kirk Armstrong won the 440; Martin Chapin, John Moore and Jack Roberts were second, third and fourth in the half; Louis Molner was first and Lionel Hurd fifth in mile; Len Cranston second and Chuck Elmquist fourth in the shot put. Redford also ran off with both relays.

### OTHERS HAVE STARS

Pershing, however, cannot be counted out entirely, nor can Denby or Mackenzie. Pershing's ace is Lonnie Sanders in the high and low hurdles, broad jump and a leg of the sprint relay. Mackenzie has Jim Oliphant, a contender in the hurdles as well as the high jump and pole vault.

Denby depends chiefly on a concentration of points in the mile and pole vault. It scored 36 points in these events at the

East Side meet, with Tom Bleakley and Frank Carissimi first and second in the mile, Jerry DeHenau and Steve Force 1-2 in the pole vault.

DeHenau should win his specialty without trouble. He leaped 12 feet 5 inches to beat state champion Bill Alcorn, of Birmingham, in the U. of D. Relays.

## Umpires Ordered to Ban 'Dusters'

MIAMI, June 2.—(AP)—President Frank Shaughnessy, of the International League, has forbidden pitchers to dust off a batter who follows a home run hitter. "Umpires are hereby instructed that when this occurs . . . the pitcher will immediately be removed from the game," he said in a bulletin.

## Rival Develops for Tim Tam

NEW YORK, June 2.—(UPI)—Cavan, a late-developing colt owned by Joseph E. O'Connell, may give Tim Tam a run for the money in the Belmont Stakes—the third jewel in racing's Triple Crown classics.

The Irish-bred son of Mossborough gave every indication that he can go the distance in scoring a come-from-behind, four-length victory Saturday in the mile and one-eighth Peter Pan Handicap at Belmont.

Cavan went the distance in the excellent time of 1.49. He no sooner had reached his barn
