

Prep Track Award Goes To Cawley

LOS ALTOS, Cal., Dec. 30 (UPI)—Rex Cawley, a former Farmington high school track star, was named top prep track man of 1959 by Track and Field News yesterday.

Cawley recorded a 13.6 mark for the high hurdlers with an assist from a tail wind and did a 13.9 without any help, one-tenth of a second off the national mark.

He placed in the 110, 200 and 400-meter hurdles in the national A. A. U. meet, a feat no prep or other athlete has ever equaled.

Cawley is now a freshman at the University of Southern California.
