

# Thinclads Rack Up 36th Win

Birmingham high's ace track team notched its 36th consecutive meet Tuesday by defeating East Detroit, but the baseball team couldn't overcome four errors and eventually bowed, 4-1.

The Maple thinclads romped to the win, 70½ to 38½, by grabbing 11 firsts and tying for another.

Boyd Mayhew led the winners by taking firsts in the high and low hurdles and Steve Jacobson took the broad jump while Jim Stevenson tied for first in the high jump.

**BILL ALCORN** was hardly extended in the pole vault, winning the event at 12 feet and Fraser Cocks took the 880 event.

Jim Reilly won the mile and Bill Green set a new track record in the 440 with a winning time of :52.2. Dick Zaino won the 100-yard dash and anchored the winning 880-yard relay team. Teammates Bill Green, Chuck Kulow and Les Danielson combined efforts for a 1:37.1 timing.

The sprint medley team of Dan Reid, Les Danielson, Scotty Purvis and Kent Rathbun also won handily.

East Detroit, however, returned the compliment in the baseball game.

**BIRMINGHAM** jumped ahead in the first by loading the bases, but could score only one run when the pitcher walked the next man, but got the next two.

E. Detroit came back with one in the first, another in the second, one in the fifth and one in the sixth. Three of the runs were the direct result of an error.

THE BASEBALL team will host Royal Oak Kimball on Tuesday and will visit Cranbrook on Wednesday. The Maple thinclads will also journey to Kimball on Tuesday.

The tennis team will invade Cranbrook tomorrow and will host Kimball on Tuesday while the golf team visits the Royal Oak school on the same day.

In the Mansfield, Ohio, relays held over the weekend, Birmingham placed in the top 10 when Bill Alcorn tied for a first with Fred Anger of Willoughby, Ohio, at 12 feet.

THE MEDLEY relay team of Cocks, Reilly, Zaino and Green finished second in spite of the new school record time of 8:02.1.

The four-mile relay team was not allowed to enter the event due to a ruling from State Director of Athletics Charles Forsythe.

Forsythe said a track athlete could not run more than one mile in any given meet.
