

Cawley Helps Take 4 Events, but Team Is Outrun by Redford

Warren Cawley, probably the state's busiest high school track and field athlete, yesterday had himself another banner day, but to no avail as his Farmington team dropped a dual meet to Redford, 59-50.

Cawley won two events, tied for first in another, and anchored the winning 880 relay team. He breezed home over a slippery track in 15 seconds flat in the 120-yard high hurdles and then turned in an unmolested 23.4 clocking in the 220-yard dash. He tied in the high jump.

Last Saturday afternoon he set records in the highs and 180-yard lows at the Albion College Invitational meet and in the evening drove to Monroe and won the broad jump and placed in two other events in the Dick Waters Night Relays.

In another track meet held under "off" conditions yesterday, Osborn trimmed Henry Ford, 71-38.
