Precise timing pays off for Ed Kohler and Frank Mentzer.

At THS track each year attracts seventy boys who want to develop their skill in track and field events. Coach Ron Oestrike's squad was captained in 1959 by Bill Badger and Frank Mentzer. Although the cindermen won more than half of their dual and triangular meets, final standings were determined at the league meet held at Redford Union. In this the Trojans finished sixth. Brightening the picture, Wayne Fought set a new league mark in the high jump of 6'2 $\frac{1}{2}$ ".
