Tom Dunton, Spartan speedster, became the first Lakeview High entry since 1953 to win an individual state track championship when he rushed home first in the 440-yard dash in yesterday's class B state finals in Grand Rapids. He won his section in 53.8 seconds, the best winning time in any of the three heats run. The last Spartan to win a state title was Eugene Fox, low hurdles in 1953.
