SAGINAW — Flint Central, Northern and Southwestern High captured 10 first places but Saginaw High earned the team championship in the third Arthur Hill Relays held here Monday night.

Central won five events, Southwestern three and Northern two in a four-team struggle which wasn't decided until the last two events.

Saginaw totaled 54 points to dethrone two-time champion Northern which placed third Monday with 51½. Central was second with 52½ and Southwestern fourth with 49½. Then came Arthur Hill 32, Midland 28 and Bay City Central 21½.

Despite intermittent sprinkles, the track was fast and records tumbled in nine of the 14 events. The Flint schools were responsible for six records.

ALL EVENTS were conducted on a team basis with three-man totals deciding the broad jump, high jump and pole vault and a four-man total deciding the shot put.

The team title was decided in the shot putters' relay where Northern and Southwestern were disqualified for running out of their lanes. Up to that point the Vikings and Colts shared the lead by one point over Central and 2½ over Saginaw. The disqualifications enabled Saginaw to pick up six points for the lead and its runner-up 880-yard relay team clinched the triumph.

However, Saginaw also lost

points when its shuttle high hurdles team was disqualified.

The Trojans accounted for the four victories which evaded the Flint schools.

Central wiped out meet records in the broad jump, shot put, two-mile and distance medley relays. Northern cracked the middle distance mark, Southwestern shattered the sprint medley standard and Saginaw created records in the shot putters relay, pole vault and high jump.

FLOYD BATES and **Hamp Morris**, who ran the first and second legs on Southwestern's shuttle hurdles teams, were the only Flint contestants to figure in two first places. Bates also helped the 880 team finish third and the high jump team to take fourth. Morris also was a member of the high jump team.

Southwestern's **Chester Harris** contributed a spirited kick to win the sprint medley with an unofficial 49.6 for the final 440-yard leg. Another excellent unofficial time was John Shaw's unofficial 1:57.6 anchor 880 leg to win the two-mile relay for Central.

Both kicks enabled their teams to establish meet records.

Monday's meet was the final tuneup for the state championship meet Saturday at East Lansing.
