

# Too Many Mumfords For Indians

BY HAL SCHRAM

Lorenna Wright, the former Olympic sprinter, sent two brilliant distance performers to the line Wednesday afternoon on a muddy Pershing High track.

Lou Scott, a 15-year-old sophomore, turned in a fine 4:38.9 mile while George Harris, a season-long standout in the 800, was clocked in 1:58.7.

Wright was not overjoyed with the day's results. He saw little chance of his Indiana de-throning Mumford, the defending Blue Side champion.

**COACH STAN** Mullins and his Mustangs still have the sprint and hurdle power and grabbed 23 qualifying positions for Friday's East Side finals.

**Eastern will have 16 qualifers plus the two relay teams in a bid to dethrone Mumford.**

Harris showed enough foot Wednesday despite the slippery going to rate him an even chance against Redford's Perry Moore in next week's City League finals.

The clashes, however, still belong to Henry Carr. The only question in the 100 and 220 still to be answered is who will finish second.

Thursday's West Side finals start at 2 p.m. at Mackenzie, rain or shine.
