

Prep Tracksters Excel Best Previous State Efforts in 5 Events

The thrilling half-mile race between Redford's Terry Moore and Eastern's Robert Harris in Thursday's Detroit Public School League track championships at Pershing was the fastest ever recorded in Michigan.

Moore's winning time of 1:55.0—with Harris in nearly a dead heat—surpassed the previous best of

1:55.7 set in the 1930s by Quentin Brelsford, of Birmingham.

The new 880 mark brings to five the number of new highs reached by state schoolboy athletes in 13 events this season. New all-time bests also were hit in the dashes, the 440 and the mile relay. In addition, the all-time mark in the shot put was equaled.

This week's listing of top performances is the last of the season to be presented five-deep by The News and the Michigan Interscholastic High School Coaches Association. A final 10-deep list will appear on this page two weeks from today, June 24.

Bruce Waha, Redford coach who compiles the figures, reminds coaches to submit all marks that

could make the 10-deep list. They should be in his hands by the end of next week. His address is 16891 Glenmore, Detroit 40.
