

**SECOND ANNUAL ALL OAKLAND COUNTY
TRACK AND FIELD MEET
1961**

***Dedicated to:* COACH KERMIT N. AMBROSE
Birmingham Seaholm High School**

***Place:* Southfield Stadium - 10 Mile & Lasher**

***Time:* Preliminaries - 3:00 PM, Finals - 8:00 PM**

Today's Second Annual All Oakland County Track Meet is dedicated to Hermit Ambrose of Birmingham Seaholm High.

Ambrose, seldom seen without a natty chapeau during his 26 years of coaching, has been selected for the honor because of his general enthusiasm and interest, and his willingness to sacrifice a great deal of time and energy to improve the sport.

Surprisingly, Ambrose didn't compete in track. Football was his sport in high school and at Wayne (Neb.) State Teachers College. Coaching took him from the corn state to Wisconsin and Illinois, and football, as in his early years, remained the first love of the strapping, bespeckled bachelor.

He became a track coach by appointment, not by request. He accepted the job willingly and made a success of it. This suggests the moral that "a successful man is one who does well what he doesn't necessarily like to do".

How well he has done is reflected in his record at Birmingham alone since he came in 1952. Ambrose steered Seaholm to 29 straight track wins and 28 in cross country, 7 straight Eastern Michigan League track and harrier titles, several regional titles, and he has guided the Maples regularly to high finishes in invitational and state meets.

In order to help finance the All Oakland County Track and Field Meet, certain business firms have sponsored the various events. We are very grateful to them. It is through co-operation and support such as this that better competitive activities are promoted among our youth.

This year we have 22 schools participating, and 290 boys entering the 13 events.
